Why do we fundraise for the association as a whole?

- To be able to offer scholarships to children who cannot afford the opportunity to play sports
- To keep registration costs down for our members
- To offer equipment to children who need it.
- To try to build or rent facilities for our children to practice indoors during bad weather
- To be able to hold member events, to hold award ceremonies
- To hold volunteer appreciation events.

We are raising money to be able to further the needs of our association. Do you have fundraiser ideas? Do you know of a company or person who wants to give back to the community? Please reach out to us at LWYA@lwya sports.org or 817-725-9921!
