Servolution Network Partnership

We partnered with Servolution Network to donate toys to family in need. We gifted three black trash bags full of toys thanks to the community's generosity! The toys have already been delivered to families in need.

Christmas Fest

Our first annual LWYA Christmas Festival was held on 12/7/2022. The turnout was so amazing that we had to run out for more hot chocolate cups, candy, & marshmallows! Santa & the Grinch spread so much joy to all the kiddos that came in. We appreciate all of our volunteers & the opportunity we were given from the city to host this event at the Lake Worth Multipurpose Facility. A special thanks goes out to the Marines that volunteered their time to run some of the games, help decorate, & clean up! Stay tuned for news of other events in 2023!

Local Marines Partnership

Starting with the 2022 Football season, the LWYA has partnered with local marines in the community. These marines have given their time to help run concessions & volunteer at our community events. We are so grateful for their willingness to server in all areas of their life.

Mr. Grinch Arrested by LWPD

Great job to Officer Jaronski for capturing Mr. Grinch & keeping him from stealing our Christmas Fest!

Thank you Lake Worth Police Department!

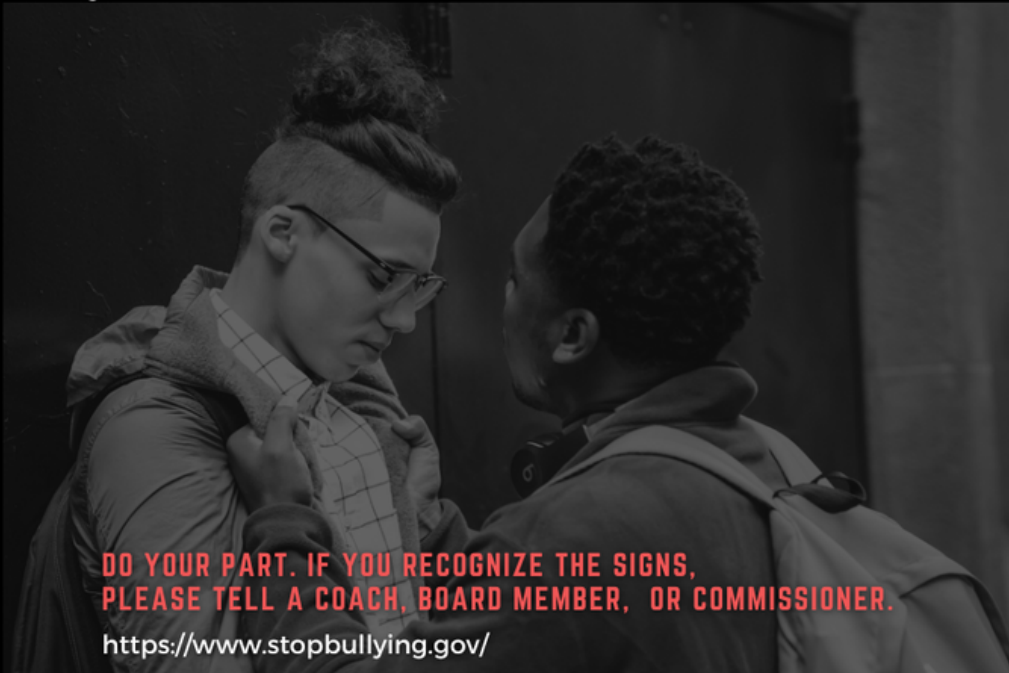

Anti-bullying

THIS IS A NO BULLYING ZONE.

Let's stop bullying in our programs and everywhere else. Be kind.
